### **Our Philosophy**

We would like to welcome you to Buckhurst Hill Baptist Church Pre-school. Our Pre-school started in 1979 and we became a Registered Charity in 2009. We continue to build on our good reputation and high quality of education for children below statutory school age. A Christian ethos runs throughout everything we seek to achieve. We are passionate about creating an environment of love, care, acceptance, respect, fun and laughter, where children feel safe and secure. In this nurturing environment the children can blossom and flourish and grow in confidence. The children learn through play in a calm and relaxed setting where they settle quickly and are happy and relaxed. Through the Early Years Foundation Stage, we adopt a spontaneous approach to child initiated learning and planning in response to individual learning plans. We believe that this is enabling the children to learn, achieve and reach their full potential in all areas of development, physical, mental, social, emotional and spiritual. We have invested more time in working in partnership with parent's including the pooling of resources. The Pre-school has a history of close links with the Baptist Church and we share with them a commitment of service to the community.
