

Supporting children with special educational needs

Statement of intent

We provide an environment in which all children are supported to reach their full potential.

Aims

- We have regard for the DfES Special Educational Needs & disabilities Code of Practice (2014).
- We ensure our provision is inclusive to all children with special educational needs.
- We support parents and children with special educational needs (SEND).
- We identify the specific needs of children with special educational needs and meet those needs through a range of SEND strategies.
- We work in partnership with parents and other agencies in meeting individual children's needs.
- We monitor and review our policy, practice and provision and, if necessary, make adjustments.

Methods

- We designate a member of staff to be Special Educational Needs & disabilities Co-ordinator (SENCO) and give his/her name to parents. Our SENCO is Amanda Jaques..
- We provide a statement showing how we provide for children with SEN/disabilities.
- We ensure that the provision for children with special educational needs is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We ensure that our physical environment is as far as possible suitable for children with disabilities.
- We work closely with parents of children with special educational needs to create and maintain a positive partnership.
- We ensure that parents are informed at all stages of the assessment, planning, provision and review of their children's education.
- We provide parents with information on sources of independent advice and support.
- We liaise with other professionals involved with children with special educational needs and their families, including transfer arrangements to other settings and schools.
- We use the graduated response system for identifying, assessing and responding to children's special educational needs.
- We provide a broad and balanced and differentiated curriculum for all children with special educational needs.

- We provide a differentiated curriculum to meet individual needs and abilities.
- We use a system of planning, implementing, monitoring, evaluating and reviewing individual educational plans (IEPs) for children with special educational needs.
- We ensure that children with special educational needs are appropriately involved at all stages of the graduated response, taking into account their levels of ability.
- We use a system for keeping records of the assessment, planning, provision and review for children with special educational needs.
- We provide resources (human and financial) to implement our special needs policy.
- We have systems in place for supporting children during the graduated approach process.
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. Individual Education Plan reviews, staff and management meetings, parental and external agencies views, inspections and complaints. This information is collated, evaluated and reviewed annually.
- We provide a complaints procedure.
- We monitor and review our policy annually.

This policy was adopted by the Trustees on 10th June 2013
